

Allen-Bradley

ModCenter PLUS

ModCenter Plus Program

Authorized Allen-Bradley distributors are certified through specialized training to modify 700P Relays to your specifications. Relays configured with Allen-Bradley basic components maintain all UL/cUL and CSA listings. **ModCenter PLUS** assemblies also maintain coverage under Allen-Bradley's current warranty policy.

Program Benefits

Built to Order

Relays are configured with stocked ModCenter Plus basic components to meet your immediate needs.

Flexibility

Offers a wide variety of 700P relay types. Standard components can be configured to create several different unique catalog numbers.

Quality Service

Modifications are performed by Allen-Bradley distributors who have been certified through specialized training.

Fast Ship

Same-day delivery available on a wide range of customized NEMA 700P Relays.

Same-Day Delivery on over 1000 Configurations of 700P Heavy Duty Relays
