

Shipped Compact Discs (CDs) Update

Effective January 1, 2013, Rockwell Automation will no longer ship Microsoft Multilingual User Interface (MUI) CDs and system diagnostic (green) CDs with their computers. If you need a copy of either CD, please contact your local distributor or Rockwell Automation representative, or use the following resources.

Location	Resources
United States or Canada	1.440.646.3434 or http://www.rockwellautomation.com/support/
Outside United States or Canada	http://www.rockwellautomation.com/rockwellautomation/support/get-support-now.page? for contact information specific to your country or region.
