

# FUTURE-PROOF YOUR BUSINESS

DIGITAL TRANSFORMATION EXPERIENCE CENTRE  
GURUGRAM, INDIA

**84%** chief executives believe that **IoT** can help create new income streams<sup>1</sup>, which is matched by an IDC study that projects digitization adding **US\$ 154 Billion** to India's GDP by 2021<sup>2</sup>.

<sup>1</sup>Accenture CEO Briefing, 2015, Productivity Outcomes, IoT

<sup>2</sup>Unlocking the Economic Impact of Digital Transformation in Asia Pacific, IDC, 2018

“This is a hugely exciting time for a whole range of industries in India who stand to unlock trillions of dollars in value over the next decade as a result of rapid advancements in automation technology. With this Center, we're inviting businesses across the country to come and get informed and inspired about what the future could look like and how to get there.”

*Blake Moret, CEO, Rockwell Automation*

As pioneers and leaders of automation, our purpose is to help industries be more productive through enterprise-wide information, smart analytics, real-time performance management and a digitized workforce. We combine our differentiated technologies and our deep domain-expertise to simplify your experience at every step. Throughout your digitization lifecycle – designing, developing, sustaining and improving – we partner with you to provide you with complete visibility, from the shop floor to the top floor.

Our Digital Transformation Experience Center is a one-stop space for visualizing your complete digitization journey.

**ACQUIANT**  
yourself with
