Safety Policy Statement

Rockwell Automation is committed to complying with safety regulations and to demonstrating the highest standard of occupational safety and health performance. The safety and health of our employees is a primary business and employee concern and is managed in conjunction with production, development, quality, environment and distribution of our products and services. Safety is an integral part of our operations and is the responsibility of all employees. We establish and monitor safety objectives and targets to drive continual improvement.

Blake Moret
President and Chief Executive Officer
