CERTIFICATE OF COMPLIANCE

Certificate Number	20150625-E14840
Report Reference	E14840-20090909
Issue Date	2015-JUNE-25

Issued to:	Rockwell Automation/ Allen-Bradley 1201 S 2nd St Milwaukee WI 53204-2410
This is to certify that representative samples of	COMPONENT - AUXILIARY DEVICES See Addendum.
	Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.
Standard(s) for Safety:	Standard for Industrial Control Equipment, UL 508 and CAN/CSA C22.2 No. 14-05.
Additional Information:	See the UL Online Certifications Directory at www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's Certification and Follow-Up Service.

Recognized components are incomplete in certain constructional features or restricted in performance capabilities and are intended for use as components of complete equipment submitted for investigation rather than for direct separate installation in the field. The final acceptance of the component is dependent upon its installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, Director North American Certification Program
