RE: European Union Batteries Directive

Dear Customer,

Rockwell Automation is committed to demonstrating the highest standard of global environmental management. We embrace this as a core value and an integral part of all operations and seek continual improvement of our environmental management system and performance.

Our dedication is demonstrated by our compliance efforts as they apply to the following European Union regulation:

EU Batteries Directive (2006/66/EC)

All batteries used in Rockwell Automation products comply with the requirements of the EU Batteries Directive (2006/66/EC).
