RE: Dimethyl Fumarate (DMF) in Rockwell Automation Products

Dear Customer,

Rockwell Automation is committed to demonstrating the highest standard of global environmental management. We embrace this as a core value and an integral part of all operations and seek continual improvement of our environmental management system and performance.

Our dedication is demonstrated by our compliance efforts as we continue to design hazardous substances out of our products. At this point, Rockwell Automation does not manufacture or sell any products in which dimethyl fumarate (DMF) is an intentionally added ingredient.

You can find additional information regarding Rockwell Automation Product Environmental Compliance programs at:

<http://www.rockwellautomation.com/rockwellautomation/about-us/sustainability-ethics/product-environmental-compliance.page>

Please send any additional inquiries regarding Product Environmental Compliance to: ProductStewardship@ra.rockwell.com.

Sincerely,

A handwritten signature in black ink that reads "Cally S. Edgren". The signature is written in a cursive, flowing style.

Cally S. Edgren
